

Dear Brian, Errick and Adrian,

The Durban Good Food & Wine Show 2008 has drawn to a close - unanimously voted by all as an outstanding success, far exceeding both our expectations and those of our exhibitors!

We'd like to thank you for helping to make the Show the success that it was.

As with every venture of this kind, it is all the different components and suppliers – from the minute to the massive – which make up the whole, and the resounding success of this show demonstrates that everybody contributed to the best of their abilities, and supplied great service.

The Show was enjoyed by all, and is highly spoken about in terms of its standards, and the level of professionalism displayed by all – not to mention the innovative nature of many of the sights, sounds and flavours.

We really enjoyed working with you, and look forward to a continued successful working relationship.

Sincerely,
Maxine Woycieh
